

## **MERRIMACK COUNTY JUVENILE RESOURCES**

Welcome.

This Directory was compiled by The Merrimack County Attorney's Juvenile Justice Task Force in an attempt to assist Families in locating recourses in Merrimack County and Statewide.

The Guide is organized alphabetically by Town or City within Merrimack County with County and Statewide recourses listed at the end of the guide. Please be aware that some overlap may occur.

Section One	The Towns
Section Two	Merrimack County
Section Three	State-wide

Listing an agency, organization or information resource in these pages is not necessarily an endorsement or recommendation. The intent of this resource guide is informational and educational. It is not a substitute for obtaining advice or services from professionals who can consider your individual situation and work with you to find answers suited to your needs.

Keeping resource information up-to-date is always a challenge. Merrimack County and the County Attorney's Office cannot be responsible for the information contained in any pages outside our control. If you find any errors or outdated listings please advise the County Attorney's Office. Additionally if you have knowledge of additional recourses please contact us at our office.

I would like to thank members of the Juvenile Justice Task Force for their hard work in assembling this resource guide and special thanks to Carol Stewart for her assistance in formatting the graphic presentation.

Katherine Rogers, Merrimack County Attorney
