### **Merrimack County assists Fellowship Housing Opportunities, Inc.**

**Concord, NH** – In partnership with the Merrimack County Board of Commissioners, Fellowship Housing Opportunities, Inc. has been awarded a Community Development Block Grant by the NH Community Development Finance Authority. Fellowship Housing is a Concord-based non-profit dedicated to promoting recovery from mental illness as a provider of high-quality, affordable housing and client-centered behavioral services. The award will be used to improve two of their buildings—renovating a fire escape in their apartments on Fayette Street, and installing an elevator at their residences on Chesley Street.

The project is expected to begin this summer and reach completion in the fall.

Merrimack County recently completed a Community Development Block Grant project with the Concord Coalition to End Homelessness, creating eight new apartments on Pleasant Street for currently homeless people.
